BISBEE ENWS
Daily Happenings at the
Great Copper Camp.
Budget of Interesting Items
from our Regular Correspondent.

Bisbee, September 9, 1896.
COPPERMINES.
Mrs. Frickard and her daughter Ella, took a trip to Benson today.
Ben Pierce returned from his prospecting and pleasure trip this evening.
Mrs. K and daughter also took a trip down the road on the train and returned this evening.
Dr. Sweet and J. N. Jones returned from the Democratic County Central Committee meeting today.
We have it from good authority that the Unity Rebekah lodge of Tombstone is to be moved to Bisbee on the 30th inst. and carried on here under the old charter. This seems to be a very good arrangement as it saves the greater part of the expense incidental to the starting of a new lodge.
Bisbee has a goodly number of lodges now and more are continually being added. A good lodge hall would be a profitable investment here.

As news is rather scarce today we have another opportunity to mention some of the liberal parties who patronized our contribution, or rather puffing department, since our opening on the first instant. Those next in order after the few already mentioned in this column are as follows:
Our friend Otto Giesenhofer brought us down a squash pie together with a good old case dollar. He did not want a puff, he said, but desired us to try his pie and then visit the other restaurants, buy some pies, try them and publish the results of our investigations. We agreed, ate Otto's pie, pocketed the dollar and can truthfully say that Otto's pie was the best restaurant pie we have eaten in a month.
We also received a nice banana cake from one of the young ladies in the show which is to come off Friday night. She did not want her name to appear now but hoped we would not criticize her portion of the play. Of course we are always agreeable to a proposition as reasonable as this. We won't mention the young lady's name but you'll almost be able to detect the banana cake in the puff she'll get on the occasion.
Nelson the Tailor next paid us a visit and favored us with a whole armful of delicacies. He didn't want to bother us much but desired us to state that he is a "Hot Number" and can make you a suit of clothes that will carry you right into society. Nelson is all right, give him a call.
Otto Van Kanel the young gentleman in Mr. Joera's jewelry department was the next arrival. He presented us with a couple of genuine "Bohemian" diamonds. These he declared were not electric sparks but genuine stones dug out of the ground. He wanted us to state that he had the finest wet weather pants in the territory. We are waiting to have the stones examined though before we do any shouting. These common bunco games don't go. This concludes our list for today but we have more coming. "Let the good work go on."

Your Worst Enemy is Withing
With the rheumatism is one individual whom, if you have a Christian spirit, you would forgive. He is, no matter what his delinquencies, punishment enough. Nothing short of Tophet could enhance his misery. Moreover, he is in serious peril. The disease is always prone to attack his heart and kill him instantly. As a means of curing this disease, Hostetter's Stomach Bitters has the highest reputation and the most authoritative professional sanction. Its use in the preliminary stage of the complaint is the wisest precautionary measure. Rheumatic invalids can possibly adopt. The Bitters is also a remedy of the greatest utility in malarial and kidney trouble, dyspepsia and liver complaint, constipation and nervousness. It counteracts the effects of hardship and exposure in damp or inclement weather, and is a capital promoter of appetite and sleep. Give this fine remedy the persistent trial to which all medicines of standard reputation are entitled.

Wanted—An Idea
